CORPORATE PROFILE

Park poosball & pingpong table.

Originating in 19th-century England, the sport of table tennis grew from an after-dinner parlor game into an internationally recognized Olympic sport 100 years later. No matter your level, playing on specialized table tennis tables helps you make the most of any match.

Fit for any personality, situation, or park, and ranging in color, size, our tables help keep the balls bouncing and the games going.

Table tennis tables are generally nine-feet long and feature a low-friction coating for accurate play.
